Wake up to the sunshine and picturesque views of the cove from the private deck of this charming 3bdrm+ 1bdrm suite Cates Hill home. The open living design makes it possible to enjoy the view while you relax by the cozy fireplace, dine el-fresco or cook in the kitchen featuring granite counter tops and stainless appliances. The layout with 2 bedrooms upstairs and a 1bedroom suite on the ground floor ensures there is plenty of room for a growing family or potential mortgage helper.

Perched above Snug Cove this home overlooks the harbour and majestic North Shore mountains. Just a short walk down the hill are the shops and restaurants of Snug Cove or the wonderful galleries and cafes in Artisan Square. Located on a quite corner on Village Drive this home offers the added benefits of a carport, landscaped & fenced gardens and privacy.
